December 31, 2024

Bob Mattil, President
Churchville Fire Department
24 Washington St.
Churchville, NY 14428

Dear Bob,

On behalf of the Churchville Fire Department, I am submitting this letter as part of the 2024 annual report.

As 2024 comes to a close I want to thank everyone for another great year. As I close out my third and last year as Fire Chief of this great organization, it has been an absolute privilege leading this department. Over my last 3 years as Chief, we as a department have really been able to keep progressing into the future of the fire service. Purchases of a truck and training props, keeping turnout gear up to date, and dissolving the explorer program for a more in-house program with the implementation of the RAMS.

Unfortunately as we all get older, it is inevitable that we lose great friends, family and firefighters. Churchville is no different with our loss of many great members, past chiefs, mentors and friends to all.

The officers, from Deputy Chief to Safety Officer, have really kept things going around the firehouse with amazing in-house training, opportunities for outside training, keeping up the maintenance and inventory of all our equipment, completion of paperwork, and countless hours on fire calls and meetings. Every single officer deserves recognition for how great the Churchville Fire Department really is. They are the ones that made being Chief fun, and helped keep me sane.

I am looking forward to the upcoming years with our new Chief and Officers. Thank you all, and I look forward to working with you.

Sincerely,

Todd J. Wainwright, Chief
Churchville Fire Department Inc.
